

RULE 801. ORDER FOR ABATEMENT

Adopted: 09/05/74

In accordance with Health and Safety Code Section 42450, the Air Pollution Control Board, when petitioned as provided herein, is authorized and directed to notice and hold hearings for the purpose of issuing orders for abatement. The Air Pollution Control Board, in holding hearings on the issuance of orders for abatement shall have all powers and duties conferred upon it by Part 1 of Division 26, in the California Health and Safety Code.

[Intentionally left blank.]
