

GREAT BASIN UNIFIED AIR POLLUTION CONTROL DISTRICT

157 Short Street, Bishop, California 93514-3537
760-872-8211 Fax: 760-872-6109

PUBLIC NOTICE

Date: July 2, 2015

BEFORE THE HEARING BOARD OF THE GREAT BASIN UNIFIED AIR POLLUTION CONTROL DISTRICT

To consider the granting of a Regular Variance to LADWP, Case No. GB15-01

Pursuant to California Health & Safety Code § 40826(d) the public is hereby notified that a hearing will be held before the Great Basin Unified Air Pollution Control District Hearing Board to consider a petition in the matter of a Regular Variance requested by the City of Los Angeles, Department of Water and Power (LADWP). The hearing will be held at the City of Bishop Council Chambers, 377 West Line Street, Bishop, California, Wednesday July 22, 2015 at 10:00 am. LADWP is requesting that the Hearing Board grant variance relief in anticipation of a violation of a State mandated dust control measure specifically from Board Order #080128-01, paragraphs 1, 2, 3, and 15, and section 5.2.3.1 of the 2008 State Implementation Plan (2008 SIP), Fall Shoulder Season, areal wetness cover requirements. LADWP seeks modification of the gradual ramp up of water deliveries to the following DCAs starting from early September to early November with full levels of dust control (areal wetness cover) commencing on December 1st for several areas covering 1.12 square miles. LADWP seeks modification of the gradual ramp up of water deliveries to the following DCAs starting from early September to early December with full levels of dust control (areal wetness cover) commencing January 16th for areas covering a total of 13.67 square miles. The variance petition covers 14.79 square miles of more than 42 square miles of LADWP's dust mitigation activities on Owens Lake.

Members of the public are welcome to attend the hearing. Interested persons wishing to attend the hearing should notify the Hearing Board Clerk, Tori DeHaven, at (760) 872-8211 or via email at tdehaven@gbuapcd.org, no later than July 8, 2015, in order to be notified of any schedule changes for the hearing. The variance petition and mapped locations of dust control areas affected by the variance request are available for public inspection at the District Office located at 157 Short Street, Bishop, California as well as on the District's website at www.gbuapcd.org.
