

SECTION 11.0
DISTRIBUTION LIST

The column heads for the distribution list table provides information on the number of CD copies and/or paper hard copies of the Draft Subsequent Environmental Impact Report (EIR) received by the corresponding recipient. Due to the size of Volume 2 of the Draft Subsequent EIR, some recipients may receive a hard copy of Volume 1 and a CD of Volume 2; this is indicated by a "1" in both the CD Copy column and the Paper Copy column. Those who receive a CD of Volume 1 will also receive a CD of Volume 2; this is indicated by a "1" only in the CD Copy column. An "x" in the Notices Only column indicates that the recipient only received a notice.
