

GREAT BASIN UNIFIED AIR POLLUTION CONTROL DISTRICT

157 Short Street, Bishop, California 93514-3537

Tel: 760-872-8211 www.gbuapcd.org

Air Pollution Control Officer

FLSA Classification

Exempt

Salary Range

Contracted

(\$12,740 to \$17,073/month DOE)

Bargaining Unit

Non-Represented, Confidential

Under policy direction of the Regional Governing Board of the District, the Air Pollution Control Officer plans, organizes, coordinates and directs through management and supervisory staff, all District functions and activities.

This position has overall responsibility for policy development, administration, financial management, enforcement, permit, technical, planning and public information functions of the District. The incumbent is responsible for accomplishing all District goals and objectives in an effective and efficient manner. This includes challenges unique to this District and position, such as the air pollution issues at Owens and Mono Lakes and the large, sparsely populated nature of the District.

Knowledge of air quality programs and regulations; principles, practices and research methods related to the analysis and control of air pollution; social, political and environmental issues influencing air quality management programs; applicable federal and state laws, and rules and regulations is preferred.

For a complete job description and instructions on how to apply, please visit www.gbuapcd.org/employment or <https://gbuapcd.bamboohr.com/careers/19>. Application, resume, and cover letter must be received by 5 pm Sunday, December 8, 2024.

Great Basin Unified Air Pollution Control District is an Equal Opportunity Employer.
